

AARAMBH BOARD MEMBERS – GUIDING OUR FUTURE and EMPOWERING OUR MISSION

In AARAMBH Board members are playing a pivotal role in shaping and strengthening the mission of the organization. Board members active involvement in the organizational growth extends beyond mere governance part but their involvement in the project activities is essential to the better organizational health and sustainability. Board members with a vast work experience in the social sector and their credibility has significantly enhanced AARAMBH's capacity in our successful programme delivery and fund-raising efforts. They are committed to achieving organizational goal. Their diverse backgrounds and professional expertise have opened to new funding opportunities and new valued partnership. We in AARAMBH actively engaging them in a way that maximizes their potential contribution specially in thriving project success and in cultivating donor's relationship.

AARAMBH family extend their sincere gratitude to our amazing board members for giving us their valuable time, engagement and better insight in achieving our successful mission and organizational goal in the best interest of less privileged children, their families and the community at large. We strongly believe that their continued commitment continues to move ahead in meaningful ways for success.
